

## OUR BARS

### CAFÉ OCCIDENTAL

Café Occidental is the heart of the resort, a place where you can relax for a moment or bridge a gap in the day with a refreshment or a drink, while your eyes take in the intricate details of the vast atrium or rest on the endless blue of the Mediterranean Sea.

Antique leather seats, heavy curtains and dark timber flooring and, above all, the medieval-style stone fireplace will quickly make you realise that you are in a truly relaxing environment. And for a quiet moment, step into the library adjacent to the Occidental where you can read your newspaper, book, or enjoy some quiet and undisturbed conversation.

Drinks, signature cocktails, cakes and pastries with freshly brewed coffee are served throughout the day, but nothing can compare with the temptations of traditional English High Tea with scones and muffins, yours to enjoy every afternoon.

### MARE NOSTRUM POOL BAR (May-Oct)

Sunken below ground level so you can sip your favorite drink without leaving the pool, Mare Nostrum is a pavillon of cool refreshments, a pool bar in every sense of the word!

From soft drinks to freshly-squeezed fruit juices and exotic cocktails, whatever it takes to quench your thirst is close at hand. A light bite, a selection of pizzas and cold sandwiches are also available.

### BAR ASTRIA

An indoor bar... and yet with a starry sky! Themed around the night sky with its glittering constellations, the Astria is where you can share your favourite drinks and moments of private conversation, either indoors or on the pergola-covered terraces overlooking the Lethe Spring, which is beautifully lit up at night. This is the place to meet in the evening and enjoy the offerings of our well-stocked bar which include a range of cocktails, premium whiskies, and even the right cigar to go with your preferred cognac. Live music performances on most nights of the week ensure an unforgettable evening.
