

OUR RESTAURANTS

Dining

Dining is a key element of the Elysium experience. A choice of five restaurants offers guests delicious gourmet menus and appetising healthy options, using locally grown ingredients. Satisfying our Executive Chef's demand for fresh and flavourful ingredients, farmers of a plot of land adjacent to the hotel grow a multitude of herbs and vegetables ready to be delivered to the hotel kitchens day by day.

RISTORANTE BACCO

At Ristorante Bacco – a name known and appreciated in a number of European countries – you will enjoy not only a delicious meal, but a complete dining experience in a warm and intimate setting. Authentic Italian cuisine with highlights from Tuscany is captured in a sumptuous menu that includes fresh, homemade pasta dishes, tender meat and fish specialities, and the most popular Italian dessert favourites, all based on original recipes and ingredients. Allow us to recommend a matching Italian wine, or come to the glass-fronted fine wine storage cellar to choose and taste the wine for yourself.

Whether you prefer a table indoors or in the sunken courtyard outside, sit back and enjoy Bacco's unique gastronomic experience in a distinctive ambience.

MEDITERRANEO RESTAURANT (May-Oct)

A few steps from the sea, our open-air restaurant serves Cypriot and Mediterranean specialities. An open kitchen and traditional wooden furniture enhance this inviting restaurant's ambience that combines traditional décor with a touch of class. Mediterraneo is open daily for lunch and dinner. No visitor should leave the island without tasting Mediterraneo's delights, which include local speciality dishes such as fresh fish, pasta, refreshing salads and a great variety of favourite snacks.

EPICUREAN RESTAURANT

A curving cloister leads the way to this restaurant with its impressive décor featuring stone arches and French windows offering uninterrupted views of the gardens and pools. Here you can enjoy the chefs daily menu which includes Mediterranean fish and meat specialities, as well as an à la carte international menu. Between May and October, the dining room opens onto the Epicurean Terrace, where you can enjoy dinner under the stars in the hotel's extensive gardens.

LEMONIA PIAZZA

Reminiscent of a picturesque village square and surrounded by arches with heavy timber beams and yellow paving slabs, the spacious Lemonia Piazza is synonymous with the pleasures of al fresco dining overlooking the hotel's water fountains and cascades.

Visit the Lemonia any time of the day, for breakfast, lunch or dinner. Our children's menu ensures that every member of the family is left more than satisfied!

O'SHIN RESTAURANT

In a secluded area and with a style of its own, the O'Shin Restaurant adds another dimension to the Elysium's gastronomy options. Style and décor featuring illuminated alcoves are as distinctive as every dish. Here, our chefs are proud to present you with an exquisite Asian menu based on the contemporary art of Sushi.

Fresh produce and unique creations express a cuisine with an inspirational and wandering soul.
