CLOUDS LOUNGE BAR

Clouds Lounge Bar is the heart of the main lobby, featuring comfortable leather furniture, marble and wood features, and spectacular views of the gardens and the sea beyond. The partially suspended ceiling, which gives the bar its name, is beautifully illuminated in the evening, creating an extraordinary ambience. A selection of pastries, designer cocktails and snacks are served throughout the day.

THE BLUE BAR

As the sun sets, the Blue Bar awakes. Shades of blue drawn from the sea and the sky mark the cozy setting with its intimate seating areas indoors and a glazed terrace overlooking the pools and gardens, and the stars above. Here you can enjoy an extensive range of cocktails, long drinks, aperitifs and spirits.

LAGOON POOL BAR

The Lagoon Bar at pool level features a wet bar area on one side and a pergola covered sitting area on the other, furnished with designer sofas and armchairs where guests can enjoy cool drinks, ice creams and snacks during the summer months.
