

Discover the Mediterranean Beach Hotel

Where friendship begins...

True hospitality has always been the fabric of the Mediterranean Beach Hotel, a superior 4-star resort situated on one of the most beautiful sandy beaches of Limassol. The hotel's unique location provides all the advantages, including spectacular views of the island's southern coastline.

Recently renovated extensively, the Mediterranean Beach Hotel welcomes guests to a warm and inspiring environment of aesthetic luxury and comfort. The building itself, the public areas and all guest rooms are designed and decorated to reflect the nature and spirit of the Mediterranean Sea. Hues of blue and white dominate the colour scheme, which is enhanced with natural wood and marble features. The result is a contemporary resort that offers guests not only luxurious facilities and personal service, but an all-round Mediterranean holiday experience.

Approximately half a mile from the hotel lies the ancient town of Amathounta, believed to be the first inhabited city of Limassol. A pedestrian path along the beachfront links the Mediterranean to this noteworthy archaeological site, from the East side and to Limassol from the west.

THE GARDENS

Extending right down to the sandy beach, the hotel's landscaped gardens are a paradise of lush greenery and colourful flowers, offering a sample of the area's ecological wealth; palm trees, jasmine, lavender and herbs fill the air with their typically Mediterranean fragrance.

Location

The Mediterranean Beach Hotel is situated on the southwest of the Bay of Limassol and is close to the archaeological site of the kingdom of Amathus. It is only a 10-minute drive from the town centre (8km). The hotel is built with commanding sea views and incorporates a spectacular split-level swimming pool and terraced gardens that lead to a sandy, Blue Flag beach.
